

October 11, 2018

Red Fort Capital is pleased to announce a **€2.25 Million** Bridge Financing for **Guardhouse Studios** Italy and Scotland. They are purpose-built, state-of-the-art, full-service film, television and media studio complexes on 123,000 sqm (30 acres) of land, located in Roncello, Italy and 170,000 sqm (42 acres) of land located within the city limits of Edinburgh, Scotland.

The focus of both studios is to facilitate the production of international film, television and media content.

At the time of the announcement Parry Singh, Founder and CEO of Red Fort Capital said, “it’s Red Fort Capital’s pleasure to help mobilize this forward-thinking project championed by Guard House”

Ms. Surya Iacono, CEO of Guardhouse Holdings Ltd expressed that “The vision for Guardhouse Studios is to be the destination of choice for international film and television producers, a vibrant, dynamic and thrumming filmmaking hub that enables the production of tens of high quality films and tv shows each year, and supports the employment of hundreds of workers and small businesses in each home market.”
